Jack's Place

Jack's Place is our fully equipped two bay garage. We meet regularly on the third Saturday of every month. Tech sessions, if you need to work on your car, looking for advice or just want to hang out with friends, this is the place to come to.

Monthly Meetings

We meet the 2nd Tuesday of the month to get together, listen to talks, share a meal and talk about our cars.

WE LOVE TO DRIVE THEM!

Many of our activities are centered around getting out and driving our cars. Be it to lunch in the mountains or our beautiful foothills region, to social gatherings like breweries, picnics and wineries, to car shows or overnights. We are a group that likes nothing better to get out and go for a drive. Drives are organized and we use walkie talkies to stay in touch. While we don't race, we do set a good clip!
